Baseball Season To Open Sunday For P-N League

Legion - Sponsored Locals Travel to Auburn In Opener

With a promising line up but handicapped by the lack of spring training, the Truckee baseball club of the Placer-Nevada League will open the season Sunday afternoon against the Auburn team on the latter's diamond.

Manager John Rau and Mike Goicoa Tuesday night attended a meeting of the directors and managers of the league at Auburn where final details were worked out for starting the season this week.

Rau said he has tentatively established his starting line up and will use Lynn Roath, a 22-year-old right hander on the mound to start. Roath, an employee of the Stockton Box Company, last year pitched for Grass Valley and did a good job. He recently played football with St. Mary's but is equally good on the baseball field, in the opinion of the local manager.

In backstop position will be one of two local veteran catchers, Mike Korich or Bud Owens. Mike is now working at Sacramento but maintains his home at Tahoe City. Al Wakefield, who has established himself as a Grade A first baseman, will be on the initial sack, while Frank Hamline, another Stockton Box employee, will hold down second. Third base will be occupied by either Don Jackson of Tahoe City or Billy Campbell, another local vet. Eddie Ulsheimer will be at short stop.

Outfielders will be Nuke Frates, Les Davidson and Bob Stark, all well known to local fans. Rau, Bert Domgaard, Mike Goicoa, Bob Barber and Willie Curran will be on the bench but all can be used in both infield and outfield.

In other games Sunday, Colfax will be at Lincoln, Roseville at Placerville and Penryn at Nevada City.

FIRE SEASON OPENS, PERMITS NEEDED FOR FIRES IN OPEN

By state law, regulations governing the use of fire on forest, brush and grass lands become effective April 15 and are in force until November 30, reports E. E. Boehm, Truckee district U. S. forest ranger.

Written permission must be obtained to burn in incinerators, open trash piles, sawdust waste burners and to operate welding torches, blacksmith forges and any grinding device capable of throwing sparks.

The Truckee district office of the Tahoe National Forest advises that residents of the Truckee, Donner and Boca rural area may obtain written permits at the Truckee ranger station and residents of the Tahoe area from McKinney Creek north to the Brockway state line may obtain permits from the patrolman at William Kent public campground.

As a public service to residents of the Tahoe area, the forest service patrolman will issue permits at the Kings Beach post office on Wednesdays from 10 a.m. to noon and at the Homewood post office Thursdays from 10 a.m. to noon.

DONNER SKI RACE THIS WEEK END OVER 26 MILES

A kickoff party for what Highway 40 resort operators hope will be the season's biggest weekend on the mountain was staged last night at Donner Ski Ranch.

Most of western skiing's biggest names were on hand to hear Jack Woodard, tournament director, announce the men's entry list for the fourth annual 26-mile Donner Trail Memorial ski marathon.

At least 50 racers are expected to participate in the grind, which runs westward from Donner Summit to Rancho Sierra at Carpenter Flat.

A number of women have entered the special 12 mile event, designed for the fairer sex. Their course will terminate at Cisco.

Drunk Driver, Companion Pay Fines in Court Here

Daniel Roberts, Roseville, was fined $250 by Justice F. W. Wilson on a drunk driving charge this week and Roberts' companion, Patrick J. Shelly, also of Roseville paid a $50 fine for violating the county's sobriety ordinance. They were arrested Sunday by State Patrolmen Martin Sturcke and C. B. Maynard.

Meeting on Tuesday—

Truckee Outdoor Sportsmen will hold a meeting in Capitol Hall Tuesday, April 22, at 8 p.m. All interested are requested to attend.

Lowell Thomas To Again Visit In Truckee Area

Lowell Thomas, world famous traveler and radio news commentator, will make his third visit to Truckee next week and will broadcast from the Southern Pacific depot from Monday through Friday.

Thomas, who is currently broadcasting from Salt Lake City, will enjoy the spring skiing at nearby resorts during his local visit.

Twice before Truckee has been favored by visits from Lowell Thomas and his staff, both times during winter months, and his return will be welcomed by the entire community.

His twice-a-day reports over the Columbia Broadcasting System are made possible here by a direct hookup over the Pacific Telephone Company system.

SNOW FALL BELOW NORMAL FOR APRIL; STORM ON EASTER

The U. S. Forest Service reported this morning that the total snow fall for the season has been 441 inches, with three feet on the ground at the local station.

The total precipitation for the season, beginning in September, to date has been 46.30 inches, 20.71 over normal. The precipitation was .16 for this month so far. Normal for April is 1.86.

This area experienced the traditional Easter weather last Sunday when chill winds and snow predominated. More than an inch of snow fell in Truckee and enough more on Donner Summit to require skid chains on all vehicles. The brief storm was followed Monday by balmy weather and warm sunshine. The immediate forecast is for more of the same.

NELSON SPEAKS BEFORE PTA HERE ON CONTAGION

Dr. L. D. Nelson spoke to the members of the Parents and Teachers Association at the meeting held in the elementary school Monday evening, discussing the subject of prevention and care of contagious and infectious diseases.

Mrs. Lester Deckwa, president, named as delegate to a San Francisco convention of the organization, was unable to attend this week because of illness in the family.

Mrs. John Finnegan assisted Mrs. Fosten Wilson at refreshment time. A smorgasbord dinner will be held by the association in the school edifice on May 12 with families and all interested persons invited to attend.

CLASSES BEGUN IN NEW HI GYM

Classes are now being held in the new gymnasium at Tahoe-Truckee high school. Volley ball is the popular game of the moment. A faculty team beat a student team two out of three games last Thursday afternoon. Faculty team members were Norman Dewhurst, Cliff King, Jim Brehler, Virginia Angelo, Hank Sams, Bob Briggs, Homer Livermore and Bill Rogers.

The student team was composed of John Moore, Ed Alameda, Joe Copeland, Tom Grow, Bill Port, Bob Tonini, Dallas Marquis and Bill Walker.

In the first round, the juniors beat the seniors and the freshmen downed the sophomores. In the second round, the juniors outscored the freshmen. The seventh grade also beat the eighth grade in the second round.

Toni Street Second In Zone Speech Contest

Toni Street, senior from Kings Beach, placed second in the zone competition of the annual Lions Club speaking contest at Colfax Tuesday evening. Miss Street, accompanied by Miss Thelma Finger, represented the local Lions Club and spoke on the subject "Learning to Live Together."

Barbara Hartman of Grass Valley won first and will compete in the regional contest at Roseville soon.

Competitive Ski Meet Ends Local Winter Activities

Two Days' Events on Runs Near Here Climax School Program

This week saw the end of the winter ski season for the Tahoe-Truckee Unified School District with the annual competition for the elementary section at Squaw Valley on Tuesday and the high school section at Donner Ski Ranch Wednesday.

James Brehler and Gordon Butterfield, faculty instructors for the ski program, extended thanks for the school district to the resorts for loaning their facilities to the young skiers for the past three seasons. Through the use of these facilities, the students have been able to enjoy skiing and to develop skills and techniques toward a more thorough appreciation of the sport.

Elementary Winners

Results in the elementary section competition were:

Advanced: Boys: Kit Schull, Donner Trail; Floyd Cooper, Truckee; Rex Donaldson, Tahoe Lake. Girls: Madeline Tschoop, Donner Trail; Lili Cushing, Truckee; Sharon Bechdolt, Tahoe Lake.

Intermediate: Boys: Jerry Hanson, Tahoe Lake; Carl Nordstrom, Donner Trail; Barry Phipps, Truckee. Girls: Dorothy Mercer, Kings Beach; Mary Ann Stark, Tahoe Lake; Kristine Soltau, Tahoe Lake.

Beginners: Boys: Stanley Mallory, Donner Trail; Kirby Scarborough, Tahoe Lake; Earl Wallace, Truckee. Girls: Karen Nordstrom, Donner Trail; Dorothea Frey, Truckee; Alice Lander, Truckee.

Around 90 young people participated Tuesday.

High School Winners

Charles Smith, junior at the high school, raced first in the boys' advanced class yesterday afternoon at the Ski Ranch with a time of 57.3 for two runs of the slalom course. Lewis Fellows placed second in 1:02.0. Penny Jenkinson, 8th grade, won first in the girls' advanced slalom with 1:17.1 for the two runs.

Jackie Abbott won first in the girls' beginners class with a time of 1:20.4; Karen Decker placed second. Danny Sheehan won first in the boys' beginners class with a 1:48.4 time.

Gary Anderson, 8th grade, won first in the boys' intermediate class, immediately trailed by Dael Rich. Ginger Reynolds and Sharon Pace, ninth graders, took first and second in the girls' intermediate class.

Assisting Brehler and Butterfield on this final day of skiing were H. E. Livermore of the high school faculty, Terry Tollefson of Truckee and Bob Cram of Seattle.

The first place winners for both boys and girls in each division will have their names inscribed on a plaque that will remain at the school.

Eastern Star Conducts Initiation Ceremonies

An initiation ceremony was held at the meeting of the Order of Eastern Star here on Tuesday. Ida Crandall, worthy matron, and Stanley Zwarg, worthy patron, presided. Dorothy King was chairman of the refreshment committee.

SCHOOL BOARD PLANS CHANGES

A number of changes in the personnel of the faculties of the Tahoe-Truckee Unified School District have been proposed and a number of issues have arisen since the meeting of the governing board earlier this month.

A detailed account of changes proposed will be carried in next week's issue of the Sierra Sun after a complete survey of the situation has been made.

Michigan Bound—

Mr. and Mrs. Harry Stout left Monday for a three weeks trip to Michigan. The couple are accompanied by the latter's grandmother.

Sun Beams

by Walter M. Barrett

A proper project for the Parents and Teachers or any other civic organization, in our opinion, would be to correct the play ground situation at the Truckee elementary school. We have particular reference to the dangerous condition at the merry-go-round and swings. The concrete surface under these contraptions could be replaced with clean sand and make the area safer. The iron and concrete installations now provided for the children is actually dangerous and while only minor accidents have been reported, there is too much opportunity for a tragedy. Even under the closest supervision, children are apt to be careless and it would take only a split second for some small girl or boy to fall and suffer permanent injury. Sand might not be as clean as concrete but it certainly offers far less danger to small children.

* * *

The Truckee baseball club goes into action Sunday as the Placer-Nevada league opens for the 1952 season. This year the American Legion is sponsoring the team and in so doing is giving the community a public service which should be appreciated. Operation of a baseball club, even without salaries for the players, is not accomplished without expense and some financial assistance will be required by the sponsoring organization. We feel sure that having a team in the league is worthy of support and that local business people and fans will get behind the Legion and its ball players to the best of their ability.

PICKETS STAY IS BRIEF AT AREA 'PHONE OFFICES

Two pickets appeared in front of the Truckee Pacific Telephone Company exchange Monday about 9 o'clock, spent approximately 15 minutes and disappeared.

Thus far, that is the extent of the effect of the nation-wide strike in this vicinity and service continues without interruption so far as the outside observer can judge.

Mrs. Ria Ferris, in charge of the Tahoe City office, said two pickets appeared there one morning this week and stayed 20 minutes before leaving. No change in Tahoe's telephone service has been noted.

Highway Patrolmen Are Injured in Road Crashes

Two of Placer area's highway patrol officers were injured in separate accidents last Sunday.

Officer Earl Crane was moved to Highland Hospital, Auburn, but his injuries are not considered serious. Crane's patrol car was "sandwiched" at Norden, when a preceding driver, George F. Tiffee of Tahoe City, stopped suddenly to avoid hitting a dog and Crane's car ran into his vehicle. Walter Corby of Modesto, following Crane, slammed into the state car.

Officer Henry W. Uhde was slightly hurt when his patrol car plunged off the Auburn freeway when a rear tire blew, as he was chasing a speeder.

South American Film Shown Tahoe Rotary

TAHOE CITY— J. Bartell of the Standard Oil Company showed a travelogue in color of a trip through all the South American countries at a meeting of the Tahoe City Rotary Club this week. The film was released by the U.S. government and was most interesting.

Visitors at the meeting included William Kohler, nephew of Mrs. Anne Martin, who is en route to Korea and has been visiting here with the Martins; Charles Cross and Robert Landfear.

Denis Sach and Howard Guth gave talks on the Cal-Vada district annual conference of Rotary International held recently in Reno, attended by some 800 members.

Five-Year Flood Program Given Boost At Meet

Sen. Malone Urges Parties To Settle Differences Over Water

U. S. Senator George W. Malone of Nevada has told members of the Lake Tahoe Conference Committee all interested parties will have to make up their minds soon on a five-year control plan for the Lake Tahoe-Truckee River basin.

The committee met in Sacramento last Friday to discuss the threat of high water from melting snow in the Tahoe area.

The likelihood of high water damage on Lake Tahoe or along the Truckee River was minimized by George DeVore, official of the Sierra-Pacific Power Company. Unless unusually heavy rain occurs both in the Lake Tahoe area and in the lower Truckee River area, DeVore added, controlled releases from the lake will be able to handle both the melt of the record snow pack and the normal spring releases from the lake.

Right now, he stated, Lake Tahoe is as low as it was at the lowest level last summer, providing about a two foot cushion. He explained the amount of rain necessary to cause danger is 10 inches at Truckee combined with 20 inches at Donner Summit. It is very improbable, he continued, that that much rain will fall.

Malone told the committee and representatives of California and Nevada water interests action can be taken to finance a five year old flood control plan prepared by the army engineers, if all groups make their points of objection and agreement known.

The tentative plan calls for a 135,000 acre feet reservoir on Prosser Creek, a canal to divert water around Truckee and improvement of the Boca Reservoir on the Little Truckee River to provide flood control storage, protecting Reno.

These facilities will permit the reduction of the legal high water mark of 6229.1 feet to about 6228 feet. Lake Tahoe property owners have complained the maximum lake level damages shoreline installations.

Col. C. C. Haug, Sacramento district engineer for the army engineers corps, reported the tentative plan was completed in 1946 but no comment has been received from affected organizations or individuals. Groups which should make their desires known, he added, are the Lake Tahoe Conference Committee, the Sierra Pacific Power Company, the Truckee-Carson Irrigation District, the Washoe County Irrigation District and the State of California.

YOUNG PEOPLE TELL OF PLANS TO MARRY

Miss Mary Jane Warm and Rex Tollefson this week announce that they are plannnig to wed some time in June. Miss Warm, who came here from Billings, Mont., has been employed since last May at the Cottage Hotel.

Miss Warm is the daughter of Mr. and Mrs. Andrew Warm of Billings and attended schools in that city. Tollefson is the elder son of Mr. and Mrs. C. A. Tollefson of Truckee and is engaged in the timber business with his brother, Terry.

They plan to make their home in the Truckee area following their marriage.

Truckee Masonic Lodge To Confer 3rd Degree

Truckee Lodge No. 200, F. & A. Masons, will put on the third degree Thursday, April 24, at 8 p.m. Visiting Masons are cordially invited to attend. Refreshments will be served after the ceremonies.

Visit Daughter—

Mr. and Mrs. Harry Levine of San Francisco were visitors here on Friday with their daughter, Miss Gertrude Levine.

In San Francisco—

Mrs. C. B. White is a house guest of Mrs. W. F. Wilkie at San Francisco.

Another Pioneer Remnant Gone As Canopy Wrecked

A crew of workmen yesterday started demolishing one of the last remnants of Truckee's pioneer era when the ancient canopy which has sheltered the front of the Masonic Building for three-quarters of a century was torn down.

At one time, many years ago, the entire length of the sidewalk along the main street was covered with the canopies, providing a tunnel during winter months as snow banked up along the street.

The only remaining section of this structure is at Rasco, Brown's Cafe and Stan's Barber Shop.

MRS. HELLER TO BE DELEGATE TO GRAND TEMPLE

Pearl Heller was elected to represent Pythian Sisters Temple No. 79 at Grand Temple to be held at Santa Barbara May 18 to 25, with Hazel Roberts as alternate, at a meeting of the lodge held last Thursday. The latter was refreshment hostess for the evening, choosing the Easter motif.

Donna Songer and Elsie Marquis were in charge of the Easter parade for children of the community, preceding the meeting. Each participant was given a decorated basket. They were Judy Wakefield, Fosten Wilson, Karen Walker, Gail Englehart, Donna and Ginger Barnes, Judy Dickerson, Jean Wakefield, Terry Garrison, Sheila and Kathryn Barrett, Dennis Reeder, Linda Elf, Terry Walker, Shirley Patton, Reggie Smart, Elethia Marquis, Rosena Reeder, Nancy Marquis, Todd McGee, Nona Coffey, Ronnie Walker, Carol Ann Quilici, Anthony Wilson and Karen Smart.

Ruth Hesse and Mrs. Marquis were honored by gifts on their birthdates, and Laura Gaiennie was also presented with a token on her wedding anniversary.

MONDAY LAST DAY TO REMIT TAXES WITHOUT PENALTY

The time for payment of second installments of Nevada County property taxes is getting shorter.

Miss Elma Hecker, county tax collector, has announced that the stream of tax payments to her office in the court house at Nevada City is beginning to increase as the deadline draws nearer.

Taxpayers get a one-day additional break this year, due to the fact that April 20, final payment date, falls on Sunday. This automatically moves the final date up to April 21. Miss Hecker stated that her office will receive tax payments up to five p.m. Monday without penalty.

AUTO ACCIDENTS INJURE 2 PEOPLE

Two automobile accidents resulted in injuries to two people during the week, the California Highway Patrol reports.

A car driven by Robert J. Arndell, 17, Reno, overturned on the highway a mile and a half east of Truckee Monday morning, injuring Paul Eisenbarth, 19, also of Reno. Patrolman C. B. Maynard said a mechanical failure in the steering gear was blamed.

In a second accident near Soda Springs Mrs. Lucille Graves, 41, Stockton, was hurt when a car driven by Robert C. Graves collided with one driven by Walter E. Heath, 61, Salt Lake City. Patrolman Maynard said the icy condition of the road was blamed and no citation was issued.

Patrol History Recited At Rotarians' Meeting

State Patrolman Martin Sturcke gave an interesting account of the formation of the California Highway Patrol at the meeting of the Truckee Rotary Club held Monday at Brown's Cafe. James Sherritt gave a report on the recent conference held at Reno.

Guests included John Magnetti, Earl Brown, George Bettencourt and Robert Seibold. William Curran presided.

High Praise For Hospital Voiced As Doors Open

First Two Patients Treated Were Injured Skiers Last Monday

The Tahoe Forest Hospital — proclaimed as one of the most modern and thoroughly equipped in the northern section of the state — opened Monday morning, fully staffed and completely ready and up until yesterday had received eight patients.

Administrator Philip Shaw reports the institution functioning with utmost efficiency despite the fact it was opened only this week. Dr. L. D. Nelson added his expressed satisfaction, stating that in all hospitals he has worked or visited, the local institution is far up in the first rank. Nothing, he said, is lacking to provide the of care.

Both Shaw and Dr. Nelson as well as the patients who have been contacted spoke highly of the staff and services offered and forecast a flourishing future for the hospital.

As might have been expected, the first patient admitted for emergency treatment was a skier, Miss Mildred Culbertson, 24, San Anselmo, who was treated for a dislocation and kept in the hospital for two days. Another skier, John Mackall, San Francisco, was treated the same day, Monday, and released.

Among other first day patients were Mrs. James Goodhue, V. L. Deaton and Mrs. Gus Benjamin, all of Truckee, who are undergoing medical treatment. Other patients included Mrs. Ola Tiffee of Tahoe City, who suffered minor injuries in a recent auto accident.

Miss Nancy Bengmans, 13, daughter of Mrs. Emily Bergmans, chef at the high school, was recovering at the hospital today from a serious gland infection. She was stricken Tuesday and for a time her condition was declared serious but Dr. Nelson reports she is recovering nicely.

Little two year old Jerry Neugebauer, son of Mr. and Mrs. Jack Neugebauer of Truckee, was treated yesterday for burns on his body, suffered when he backed into a pail of boiling water.

One nurses' aid and a second cook are still needed to supplement the six nurses, one aid, one maid, one maintenance man, the chief cook and two bookkeepers now on the staff, C. R. Heller, president of the board of directors, said.

TRUCKEE 6th AGAIN AS STORMS SLASH TRAFFIC IN MARCH

Despite the heavy snows and bad weather of March, 161,404 automobiles entered California by way of the state department of agriculture's quarantine stations, it was reported.

The department said 66,029 California cars and 95,375 from out of the state entered California through the 16 stations located on interstate highways.

The Truckee station reported 11,339 cars, 2,380 trucks, 219 buses and a total of 34,959 passengers. This was despite the fact that the road was again closed over Donner pass for a period and traffic was diverted over other roads.

The trucks reported do not include tankers which are not checked at quarantine stations.

The Stateline quarantine station on Highway 50 reported a total of 924 cars, 122 trucks and no buses and a passenger count of only 2,473.

Truckee again occupied sixth place as a point of entry into the state, the department reported.

Mr. and Mrs. Cliff Korte Honored on Anniversary

A pretty anniversary party was held in honor of Mr. and Mrs. Clifford Korte at their home here on Saturday, April 12. Those attending were Mr. and Mrs. E. A. Lloyd and son, Mr. and Mrs. Ray Guymer and two daughters, Dick Wandslebe, Mr. and Mrs. Tony Mayer, Mrs. Helen Knapp and Mrs. William Campbell.

The honorees were presented with a record player and some records, after which refreshments were served, centered with an anniversary cake.

Buells Visit Friends—

Mr. and Mrs. T. T. Buell wrote that they are enjoying spring weather during their jaunt to the bay district, San Luis Obispo and Los Angeles. The were guests of Mr. and Mrs. Larry Baxter and Mr. and Mrs. Homer Hixson, all former local residents. The Baxters are raising chickens, Buell reports.

My Place In the Sun

by DOUG BARRETT

The Sheriff's Ski Posse assembling Tuesday night for their meeting at Sarge's.....Hes Cardinal was installed last Friday eve as chancellor commander of Summit Lodge 54, Knights of Pythias .....he was installed as c.c. in absentia in January 1942 and didn't preside at a single meeting during his first term as head of the lodge.....being otherwise occupied with the war time Navy.....Cards up around town proclaim a 20-30 Club Spring Dance on Saturday night, April 19, at Capitol Hall .....with a seven piece orchestra .....Glad to see Vina Shattuck smiling through the box office window at the Donner Theater again.....after a spell of pretty rough illness.....The "SRO" sign could have been hung out at all local Easter religious services..... in spite of the unfortunate weather conditions.....Yesterday was a beautiful day.....but there was ice on the puddles, reminding us that winter is just behind us..... Roger (Doc) Rockholm showing Johnny Richards where his home town (Naper, Neb.) made the Sunday "Believe it or Not" panel .....nothing to do with Doc himself, though.....it was concerned with a farm which specializes in albino stock ..Abe Bertolozzi studying the juke box at Goodfellows' Coffee Shop before sitting down to his dinner ..A thought for aspiring politicians and thoughtful citizens: If you don't stand for something, you're apt to fall for anything.....Was sorry to hear that Jay Patton is feeling poorly and is receiving treatment in a San Francisco hospital.....Helping out at Truckee Mercantile last week was Rosie Waters.....while Johnny Gracik's Meat Market in that place was successfully launched last Thursday.....'midst several beautiful floral offerings from his friends.

Notice of Intention to Engage in The Sale of Alcoholic Beverages

April 16, 1952

To W.rom It May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows: M&E Cafe, Front St., Truckee.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance by transfer application of an alcoholic beverage license (or licences) for these premises as follows: On-Sale General

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

TAHOE PROMOTERS SEEK MODIFICATION OF PROPOSED LAW

TAHOE CITY— Another meeting will be held in Auburn at 9 a.m. May 12 by the Placer County board of supervisors and the county planning commission. The principal business of the meetings will be a discussion of a proposed ordinance which would require all those placing subdivisions on the market to first install a 50-foot road throughout the property. The road would have to be 32 feet from gutter to gutter, with all trees removed from the 50 foot distance. A 22-foot surface would be required, with four inches of crushed rock covered with heavy oil and a final two inches of black top.

A meeting was held recently at the Bert Anderson home in Pineland, attended by Wayne Poulsen of Squaw Valley, Stein Nielsen of Sunnyside, Oliver Henrikson of Lake Forest and Jack Starratt of Tahoe City.

Anderson, local building contractor, believes the requirements are too rigid for the lake area and has asked cooperation from other subdividers and businessmen of the district in securing modification of the proposed law. Anderson, Nielsen, Henrikson, Bob Thomas and Harry Stubley, all of Lake Tahoe, attended the April 9 meeting in Auburn at which time the supervisors and planning commission explained the requirements of the proposal which, if adopted, would become effective throughout Placer County.

Anyone wishing to attend the May 12 meeting in Auburn should contact Anderson at Tahoe City 4J3.

Western Bishops First-Time Hosts To Methodism's Top Conference

SAN FRANCISCO—Methodists of every state and from at least thirty overseas countries will spend two weeks, beginning April 23, in the Civic Auditorium here planning and legislating for their denomination's next four years.

This will be the first time in half a century that such a body will have met in the West. In 1904 Los Angeles entertained the General Conference of the former Methodist Episcopal Church, one of the three bodies which, in 1939, reunited to form The Methodist Church.

The Los Angeles conference is remembered for being the first in which women were accepted as delegates. In the coming session, 75 of the 360 lay-delegates will be women.

Kokanee Plant at Tahoe Will Top Million

TAHOE CITY— More than a million kokanee salmon will be planted in Lake Tahoe during 1952 under a cooperative agreement between conservation agencies of California and Nevada. The California department of fish and game shipped 401,000 eggs to the Idelwild hatchery near Reno last month. Three California hatcheries are now holding kokanee eggs imported from Idaho and Washington.

The first Pony Express rider arrived in San Francisco from St. Joseph, Mo., April 14, 1860.

Easter Snow Fails to Slow Decline of Snow Pack

TAHOE CITY— Snow on the ground measured 84 inches on Monday, 16 inches less than the week before, despite 1½ inches of new snow which fell Easter Sunday. Art Frodenberg, official weather recorder, reports .14 of an inch precipitation fell on the holiday, with a total of .19 of an inch plus for the week, traces of rain falling earlier.

The lake level Monday morning was 6227.02 with all 17 gates discharging water. Daily high and low temperatures were: April 7th: 46, 34; 8th: 49, 24; 9th: 50, 3; 10th: 42, 32; 11th: 51, 25; 12th: 50, 25; 13th: 42, 34; 14th: low 20.

NORTH TAHOE

by THELMA BURROUGHS

Richard and Louella Boyce with their children, Mary and Jimmie, were up from Palo Alto over the weekend a fortnight ago, with a lot of news from down the bay area way. Dick and Lou celebrated their 19th wedding anniversary March 29 with a big party which included dinner at the Faust restaurant in Walnut Creek. That restaurant is owned by the same folks who have Forest Inn at Lake Tahoe. Among those in the party were Bob and Barbara Kennedy, who will be remembered in connection with the Sandy Beach Hotel at Tahoe Vista; also Ann Woodland, who has a summer home at Tahoe Vista. Ann is at present vacationing in Hawaii.

Lou tells me that Chet Langenstein and his family now have a beautiful home in Walnut Creek, having gone there soon after their return from Alaska some time ago.

The snow plows worked hard around here making driveways available for those returning to their businesses. The Gilbert Ballard family and Mr. and Mrs. Carroll Rapier found a newly opened entrance to their Tahoe Vista homes this weekend. The Beesley cottages were also made available through snow plow service. I remember last year at this time most places had even been cleaned of pine needles left by winter's storms. Now we still have several feet of snow.

Mr. and Mrs. Charles Matthews fo Rustic Cottage Court are back and appear to be pretty busy around their place.

The Easter program held at Brockway Theater last Sunday with Dr. D. W. Throckmorton, district superintendent of the California-Nevada Mehodist Conference, as guest speaker, taking for his topic "Easter's Growing Victory," was well attended. Mrs. Ray Plunkett and Mrs. J. C. Glunt presented the Sunday school in their Easter program. The choral group of the Women's Society includes Clara Van Hoosier, Kay Felte, Enola DeGregario, Peggy Kishbaugh and Gladys Bryant, who sang "Christ the Lord is Risen" with Ruth Misner at the piano. Joellen Ashton, Lois Preston and Diana Abbott sang "Clouds." Following the services there was an Easter egg hunt for the youngsters in the afternoon.

George Meisenheimer is seen these days about his Tahoe Vista home. George was employed at San Jose during the winter.

Lights are also seen around the Day's Lake Point Resort occasionally during evening hours.

Mrs. Mary B. Killingsworth of Escalon has come to the lake to live with her daughter and son-in-law, Nina and Carl Sorensen.

Louise Anderson received a long distance call from her son, Richard, on April 15 announcing that he and his wife, Millie, had welcomed their first child, a son, Richard Jr., thereby making Louise and Andy grandparents again. This is their first grandson. They already have three granddaughters. Richard Sr. is in Uncle Sam's service and is stationed at a naval air station at Patuxent River, Maryland. He looks forward to the time next October when he will be released from duty and plans to make his home at Lake Tahoe. Young Richard tipped the scales at eight pounds upon arrival.

The Harvey Martins are staying with his brother, Bill, while making arrangements for returning to the lake to live, having rented the Soderstrom home for the summer. Harvey is recuperating from injuries sustained some weeks ago while doing construction work at Yerington. He now wears a leather neck brace.

Miss Lucille Hollenbeck, former teacher in the Kings Beach school, likes to visit the lake during her vacations. During Easter vacation, she enjoyed skiing at Squaw Valley and visiting with friends until the last day when it was her misfortune to take a spill on Squaw Valley's ski run that cost her a badly broken leg. The injury was first treated by Dr. Jose Nessim and she was then sent to a Reno hospital.

Sandra Sue Martin celebrated her first birthdate on April 13. She is the daughter of Bill and Dotty Martin of Tahoe Vista.

Mr. and Mrs. H. O. Comstock of Brockway have returned for the summer.

Dr. and Mrs. John Keys of Inglewood were up last weekend looking over their Tahoe Vista Hotel with an eye toward making ready for the summer season. The Fred Millers are back to stay too until the snow flies again.

FUTURE SKI CHAMPS VIE FOR HONORS AT SUGAR BOWL

SUGAR BOWL— Weather last Saturday was ideal for the annual junior ski championships at the Sugar Bowl. Competition for the Hooker Crowley award showed the following results:

Girls' combined: Nancy Bacon, 1st; Penny Jenkinson, nd; Marles Rau, 3rd; Jerene Vis, 4th.

Boys' combined: John Robinson, 1st; Lewis Fellows, 2nd; Ronald Rau, 3rd; Anthony Jones, 4th; Jim McIntosh, 5th.

Races on Easter Sunday were for skiers under 10 years of age, competing over a short slalom run for the Walt Disney trophy. Results showed the following:

Division I (8-10 yrs.): Madelaine Tschopp, 1st; Starr Walton, 2nd; Jim Schull, 3rd; Stuart Rawlings, 4th; Nick Chickering, 5th.

Division II (7 yrs & less): Binth Rustad, 1st; Kirby Scarborough, 2nd; Lee Coveney, 3rd.

DONNER TRAIL SCHOOL NEWS

Mrs. Butterfield's room has now completed their play sized model of a model railroad engine. The Southern Pacific will have a number of engineers in a few years.

Both rooms made many Easter pictures for the holiday. Mrs. Butterfield had pupils make Easter hats for their Easter parade on Friday afternoon.

Grades 4, 5 and 6 have started their large book on the states of the United States. Letters have been sent by the children to all states of the union and material gained is put in the large book. They asked all the state capitals to send maps, booklets, materials, license plates, etc.

SWANEE'S

Tahoe Letter

Tahoe City, April 14

Dear Tahoeites:

Easter has come and gone and worse weather could hardly have been imagined for the day. Rain began falling early in the morning and before night an inch and a half of snow had covered the landscape. Despite the dampness, theCatholic chapel on Highway 89 was filled with local citizens. I am told that around 50 people braved the cold to ride to the top of the Squaw Valley ski lift where Rev. A. A. Carmitchel of Truckee conducted sunrise devotions at 6 a.m. Sunday. Rain and snow began falling shortly after these rites.

Have some cheery ocmmunications from former and summer lake residents. Ubaldo Manocchi, formerly employed at Tahoe Tavern and the golf links, wrote from Chandler, Ariz., where he winters annually, that on April 21 he leaves again for Knollwood Club in Illinois, to begin his second summer as an employee of the golf club. From Mrs. Dorothy Herman of Hollywood also came Easter greetings and a note saying she and her husband were counting the days until Decoration Day when they hope to return to their cabin at Pineland. Mrs. Stella Watson writes from Shingle that she and Rob had hoped to arrive at Tahoe City last Thursday but rain changed their plans and they have deferred their return here until this week. Came a pretty post card from Trinidad, British West Indies, from Mrs. Ethel Severson, her son Corky and her parents, the Albert Stevensons, of Long Beach, all of whom are enjoying a tour of the West Indies and South America. They were aboard the liner Mauretania and had just left Venezuela the day before. They plan to return for their usual summer vacation at Tahoe Park.

Mr. and Mrs. Stanley Martin and son Stanley Jr. spent the weekend in Sacramento and were Easter dinner guests of Mr. and Mrs. Henry Zacharias and their daughter, Mrs. Dorothy Johanson. The latter is a former teacher at Tahoe, now employed in the Sacramento school system. Mrs. Martin returned home with arms full of lovely flowers from the Zacharias garden, which she has shared with her neighbors here.

Local residents will welcome back Mr. and Mrs. Bill Conger, whose popular restaurant and motel in the heart of town at the Big Tree had been closed for some time for the regular spring freshup. The Congers recently returned from a vacation at the home of their niece and her husband, the Irving Williams of Edison, Calif. The Congers will reopen their doors on Wednesday, April 16, and will welcome back all their old customers and invite the patronnage of all who enjoy and appreciate well prepared, distinctive meals.

Word from Reno indicates that Eual Whitman, who was injured when a roof caved in at the Bob Wray home near Tahoma, is still under the care of a doctor in Reno where he is still receiving special treatment. Extent of his injuries were not believed serious.

On Friday last, rode down Tahoma way to see how much the warm spring weather had dropped the former 16 foot snowbanks and found they had indeed diminished. Even found white and purple crocus blooming in the garden at the Jack Smith home. Here and there other homes are being discovered, either down or badly damaged. Newly reported this week are the homes of Gene Pendergast of Sacramento, a building of a story and a half, approximately 30x40 feet in size, which is located above the Droste home in the Homewood area, described as a total loss; the home of M. E. Heiser of San Francisco, just north of Robbers' Roost on Highway 89 between Truckee and Tahoe, where one side of the roof caved in; damage done the Swedish Farm House in Tahoe City last week when the large front dormer on the building slid off; at Tahoe Boat Company's yards 86 feet of the large boat house roof was damaged after the first big snow but the owners, Fred Main and Norman Mayfield, had it repaired and it stood the rest of the winter in good order; extensive damage had been done the home of May E. Steele, San Francisco, in the Tahoma district with the roof caved in.

Little Edward B. Scott II, son of the E. B. Scotts of Tahoe City, observed his second birthday on April 6 with a dinner party at his family home, topped off with a beautiful birthday cake.

Mr. and Mrs. Jimmie Astle of Tahoe City held a family dinner party on Sunday week, honoring the second birthdate of their daughter, Diana. Guests included Mr. and Mrs. Ivan Astle and Phyllis Astle, Kings Beach; Mr. and Mrs. Arthur Jones, great grandparents, and Clayton Spining, all of Reno; Clayton Frey and Dean Moore of Tahoe City. A pretty cake and many lovely presents climaxed the dinner.

Mrs. Florence Slade, Homewood telephone operator, returned recently from a month's sojourn at a Santa Barbara where she underwent a routine medical checkup. Her husband, Hank, assisted at the switchboard during her absence.

Mr. and Mrs. Charlie Spalding of Tahoe City were called to Sacramento last weekend to the home of his sister, who was reported critically ill.

John Gaskins, local pharmacist, his wife and family have moved to a district three miles south of Roseville, where he will operate his own drug store. Stanley Hunter of Grass Valley is taking his place here temporarily.

The Bob Landfears, who have been in businese here for some seasons past, will return to Los Gatos with their children, Jean and Rusty, where they own their own home. Future plans were not revealed.

According to her physician, unless Mrs. Maye Stark of Dollar estate, injured in an explosion in Truckee in February, shows improvement shortly, she'll have to wear a cast for at least five or six weeks. While some what better, her back still causes her considerable pain.

The Harold Starks of Tahoe City are driving a new Ford Victoria purchased from the Witich Motor Company of Colfax.

Mr. and Mrs. Fred Main returned to their Tahoe City home last week after spending the winter at their Laguna Beach residence. Main is co-owner and manager of the Tahoe Boat Co.

Leave you for the week and hope this finds you in good health and spirits, as ever,

"What do you do with all the money you make?"

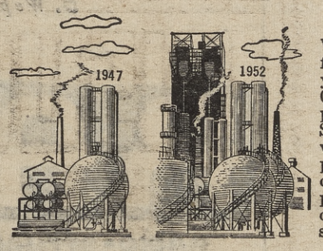
Standard's income *sometimes raises such comments as: "You people do a lot of business. You must be rolling in dough. How about answering this one—What do you do with all the money you make?"*

The answer is a matter of public record. But in brief—after we've paid for materials, wages, employee benefits, and miscellaneous expenses...wear and tear on plants and equipment...interest on our long-term debts...and, in the last 5 years, more than $405,000,000 in taxes—then what's left, the "money we make," goes this way:

We invest in research and technical service—more than $35,000,000 in the last 5 years—to develop better ways of finding oil, increasing the yield, cutting costs, creating new business. That brings you new and improved products, with prices held down as we compete for your patronage.

Exploration here and abroad has cost us more than $229,000,000 in the last 5 years. Known crude reserves are at an all-time high. But these deposits were the easiest to discover. Though the earth holds vast hidden reserves, it now costs many millions to find each new field.

And finally, after setting aside funds for future operation, our more than 100,000 shareholders get what money remains—last year $2.60 a share, their return on savings invested in Standard. So almost all the "money we make" goes right back into circulation.



We put funds into facilities—in the last 5 years, more than $644,000,000. The need for oil products keeps growing. Standard must replace old wells, increase crude oil production; add to the capacity of refineries, pipelines, tankers, and other things needed to serve you well.

STANDARD OIL COMPANY OF CALIFORNIA

plans ahead to serve you better

Perhaps you're not ready for a swimming pool, but...

Swimming pools are only one of many improvements you can finance through Bank of America. Perhaps you *are* interested in a new paint job...a patio...or new wiring for your house. Whatever the improvement, you'll probably find it's available through Bank of America *Timeplan*-FHA financing.

So ask your dealer or contractor for *Timeplan*-FHA financing...he can make the arrangements right in his own office. Or you can arrange financing in a few minutes at any Bank of America branch. Come in any time.

NO DOWN PAYMENT... UP TO 36 MONTHS TO PAY

TAHOE LAKE P.T.A. WILL HOLD PARTY

TAHOE CITY— Mrs. Mary Stark, president of the Tahoe Lake PTA, has announced that the annual spring hat party will be held in Tahoe Lake School at 8 p.m. Thursday, April 24. Prizes will be awarded the prettiest, most original and funniest hats.

A short business meeting will precede the party, at which new officers for the coming year will be elected by the organization. Members of the nominating committee appointed by Mrs. Stark are Mrs. Marion Rustad, Mrs. Marge Fellows and Mrs. Jean Henry.

Cards and refreshments will round out the social evening. Mrs. Fred Gilman is chairman of the refreshment committee. The public is invited and a small charge will be made.

Family Leaving—

Mr. and Mrs. A. R. Sturgill are leaving for Colfax, where they will make their home.

Visit Currans—

Easter guests at the Wiliam F. Curran home here were Mrs. Annie Curran, Mr. and Mrs. Ernie Froelich, Billie Silvers, Miss Myrtle Farrell and Linda Lee Froelich all of Reno.

Here for Easter—

Sharing the Easter holiday with the Daven Morey family were Mrs. Constance Morey and Mr. and Mrs. Fred Morey, all of Sacramento.

Trip to Bay—

Mr. and Mrs. Earl Brown returned from a trip last week to the bay area.

Seawell Improved—

Jerrold L. Seawell, third district member of the state board of equalization, is reported to be improved following an operation for a minor ailment.

New Family—

Richard Skinner of Redwood City has arrived to accept a position with Mountain Rotary Fuel Company. Skinner expects to bring his wife and two elementary school age chidren to live here as soon as he has found a house.

SIGN UPS SHORT IN ADULT CLASSES AT HIGH SCHOOL

Registration in the various adult classes being offered at the high school Tuesday was insufficient to begin any classes. However, registration has been extended to next Monday, April 21. You may call the high school office, Truckee 23 or 24, and inform them which class you are interested in.

In order to begin any class there must be 15 people register and then there must be an average attendance of 15 to maintain the class. The adult recreation class needs three more, the oil painting class needs five more, the typewriting class needs five more, the wood working class needs three more, and the tailoring or general sewing class needs three more people to start a class. There will also be a class in folk dancing and square dancing, with Henry Sams as instructor. Classes will meet on a probationary basis next Tuesday night and will continue if the registration is sufficient.

Coach Jim Brehler stated that here is a chance to use the new gym and learn both individual and team games, volley ball and badminton at present. As additional equipment is obtained, tumbling, basketball and gymnastics will be included in the class.

The next class will meet from 7:30 to 9:30 next Tuesday night.

Seeks Legal Distinction Between Restaurant, Bar

NEVADA CITY— Thomas Barrett, Nevada County probation officer, will ask the California Probation and Parole Officers Association to act on a proposal to establish a distinction between bars and cafes.

Barrett said he had been notified his requested change in the law has been placed on the agenda for the association convention in Santa Barbara June 4 to 6.

Barrett said under the present law, parents may sit at a bar under the guise of being cafe diners and allow their children to play on the saloon floor.

He contends probation work and juvenile duties would be performed easier if the police and probation officials were aided by clear definitions of restaurants and saloons.

Fresno for Easter—

Mr. and Mrs. George Kaspian and family were Fresno visitors for the Easter weekend.

Official Visitor—

W. H. Wilson of Marysville, tax administrator for the state board of equalization, was a visitor here yesterday with Robert Paine, the local field representative of the same department.

Return to Capital—

Mrs. John Breilly and children and Miss Shari Reynolds of Sacramento returned there after visiting with the young women's parents, Mr. and Mrs. B. W. Reynolds during the Easter vacation.

TROUT PLANT LAST YEAR WAS HEAVY

A new record total of more than 265 tons of trout and salmon were planted in California lakes and streams during the last fiscal year, it is reported by Alan C. Taft, retiring chief of the bureau of fish conservation, department of fish and game.

The production of 24 state hatchery installations amounted to 17,751,000 fish weighing 530,240 pounds during the 1950-51 hatchery year. In the previous 12-month period 18,792,000 trout and salmon weighing 488,397 pounds were planted.

Eighty-eight per cent of the annual plant was made up of catchable-sized fish, which weighed 468,339 pounds. Fingerlings totaled 61,901 pounds.

The plant in counties in this area showed: Nevada County, 724,425 fish, 3,296 pounds; Placer, 858,403 fish and 1,585 pounds; El Dorado, 1,365,911 fish, 3,636 pounds; Sierra, 924,220 fish and 3,577 pounds.

From San Juan—

Mr. and Mrs. Ray Roberts were visitors at North San Juan this week.

CARD OF THANKS

I wish to thank all of my friends who sent the helpful notes and flowers during my recent illness.
